Second hand Range Servant Ball Dispenser RS-11

For over 25 years the RS Golf Ball Dispenser Series has been quietly dispensing hundreds of millions of golf balls worldwide.

The original flagship product of Range Servant is the RS-Golf Ball Dispenser, which has consistently proven to be the most reliable and durable ball dispenser on the market. Using the Grid and Cradle System, introduced in 1983, it consistently delivers an exact amount of clean, counted and un-damaged balls to the customer.

This machine is +/- 10 years old, fully checked and serviced. New Brush and new Tray
